

Drive Operational Efficiency With Validated Skills Data

The screenshot displays the 'Kahuna Overview' dashboard. At the top left is a 'Participation' section with a circular progress indicator showing 30% completion, with buttons for 'Active' and 'Completed'. To its right is the 'Active Status' section, which lists three items: 'Planning & Design (11 Items)', 'Engineering Review (2 Items)', and 'Production Ready (11 Items)'. Further right is the 'Organizations' section, listing 'Group 1 (6 Items)', 'Manufacturing & Shop Systems', and 'Logistics & Training'. On the far right is the 'Inactive Status' section, listing 'Equipment Withdrawn (11 Items)', 'Equipment Withdrawn (11 Items)', and 'Equipment Withdrawn (11 Items)'. Below these sections is a table with columns: 'Employee', 'Last Logged In', 'Expiration', 'Location', 'Department', 'Job Code', and 'Status'. The table contains 10 rows of data, each with a profile picture, name, last login time, expiration date, location, department, job code, and a status button (e.g., 'Active', 'Inactive', 'Expired').

Stop Chasing Certifications & Start Managing Them
